

LATTICE, Inc.

BOARD OF DIRECTORS RESOLUTIONS: 2007-4

LATTICE Vision:

The LATTICE Board of Directors adopted the following resolution:

LATTICE will promote a safe and dynamic learning community to share ideas, develop personal relationships and explore controversial topics that permit members to gain global understanding and appreciation of similarities and differences within nationalities, cultures, religions, ethnicities, ages and professional pursuits. LATTICE provides:

- An international perspective in education
- Meaningful content, inspirational moments, and time for building personal relationships.
- Constructivism and participation.
- Use of scholarly expertise as well as knowledge and wisdom based on personal experiences and observations.
- Personal and professional experiences that contribute to the LATTICE Mission by bringing this new knowledge to school communities.
