

Congratulations to the LATTICE Basket/Scholarship Team.

They earned \$2500 for the scholarship fund, which will make a huge difference in the lives of some needy South African students.

Recent Student Success Stories:

Velenkosini Buthelezi has graduated from high school and found employment with the Municipality of Richards Bay. He plans to use LATTICE funds to help him attend the Technikon this spring.

Pretty Dube, a sophomore at the University of Zululand. She passed her freshman courses with "flying colors."

Canther Ntuli is now a student in Cape Town where she is studying BCom Accounting at the University of Cape Town(Uct)

Sibongeleni Zulu, who has just completed his mechanical engineering studies at the Durban Institute of Technology, is very busy applying for internships in his field
